Yes	No
-----	----

"I would recommend this experience to a friend"

Yes

No

Part 2. Please respond by writing your response to the following questions:

What conservation knowledge did you gain from taking part in this programme (e.g. learned about plastic pollution, the bird species in your area, local conservation campaigns)?

What conservation skills did you gain from taking part in this programme (e.g. building homes for animals, videography, project management)?

Was there anything you didn't understand or disagreed with:

What was your favourite part of the programme:

How could we improve the programme:
